

OTHER PROFESSIONAL ACCOMPLISHMENTS

Allergy/Immunology/Rheumatology

- **Dr. Pavadee Poowuttikul**
 - American Academy of Allergy, Asthma and Immunology (AAAAI) Office of School-based Management of Asthma Taskforce
 - American Academy of Allergy, Asthma and Immunology (AAAAI) Primary Immunodeficiency Diseases Committee
 - American Academy of Allergy, Asthma and Immunology (AAAAI) Fellow-In-Training Examination Committee
 - American Academy of Allergy, Asthma and Immunology (AAAAI) Health Informatics, Technology & Education (HITE) Committee
- **Dr. Divya Seth**
 - Approved for Fellow status in American Academy of Allergy, Asthma and Immunology (AAAAI)-March 2020
- **Dr. Milind Pansare**
 - Manuscript reviewer for Annals of Allergy, Asthma and Immunology.
Reviewed 5 manuscripts in year 2020.
 - Abstract reviewer for American Academy of Asthma, Allergy and Immunology (AAAAI).6 abstracts in year 2020.
 - Group leader for In-Training Examination committee-Wrote and reviewed in-training examination questions(Total-50Q) for fellows-in-training. Oct 2020 to Dec 2020.
 - Faculty and Mentor in the 2020 Online Workshop (July 13th - August 8th)
 - in **Global Health Research & Fieldwork Practices** organized by the Global Health Research Collaborative & the Wayne State University School of Medicine.
Lead a group discussion on pediatric anaphylaxis and areas of research
Mentor/Advise-latex allergy for researcher from Central America

Cardiology

- **Dr. Gautam Singh**
 - Grange DK, Nichols CG, Singh GK. Cantú Syndrome. 2013 Oct 2 [Updated 2020 Oct 1]. In: Adam MP, Ardinger HH, Pagon RA, et al., editors. GeneReviews® [Internet]. Seattle (WA): University of Washington, Seattle; 1993-2020. Available from: <https://www.ncbi.nlm.nih.gov/books/NBK246980/>
- **Dr. Jennifer Blake**
 - **Review of Manuscripts**
Perceptions of Consultants and Trainees on Treatment Decisions for Parents of Children with HLHS: A qualitative description of communication challenges associated with therapeutic evolution. Progress in Pediatric Cardiology 11/30/2020

- Thromboprophylaxis and Treatment Practices for Thromboembolic Complications after Total Cavopulmonary Connection/Fontan operation in Children - A survey of Paediatric Cardiology and Cardiothoracic Network Centres. Progress in Pediatric Cardiology 9/8/2020
 - Don't Go Breaking My Heart: The youngest known case of Barth Syndrome. Progress in Pediatric Cardiology 5/14/2020
 - The Implications of Donor Specific Antibodies on Paediatric Cardiac Transplantation. Progress in Pediatric Cardiology
 - Review of abstracts for 19th Annual Pediatric Research Day 2/23/2020
- **Dr. Yamuna Sanil**
 - Promotion as Associate Professor of Pediatrics
- **Dr. Marjorie Gayanilo**
 - Associate Program Director in the Pediatric Cardiology Fellowship
- **Dr. Ahmad Charaf Eddine**
 - Mentors for Special Topics in Medicine Electives. CMU. Mentored CMU student Jaime Tan for 6 week block May-June 2020.
 - Mentor for WSU students rotating in pediatric cardiology. Mentored 3 students (1 month each) in 2020.
- **Dr. Peter Karpawich**
 - **Invited Writing Committee member**, Pediatric and Congenital Electrophysiology Society "Expert Consensus Statement on Cardiac Implantable Electronic Devices: Indications and Management in Children". Manuscript scheduled for publication 2021
 - **Invited Writing Committee member**, Heart Rhythm Society, "Guidelines on Cardiac Physiological Pacing in Heart Failure". Manuscript in progress
 - **Section Editor**, Pediatric/Congenital Cardiology, Journal of Pacing and Clinical Electrophysiology (Wiley pubs)
 - **Editorial Board**, Heart Rhythm Journal (Wiley pubs)
 - **Editorial Board**, Journal of Cardiac Electrophysiology (Wiley pubs)
 - **Heart Rhythm 41st Scientific Sessions**, scientific program
- **Dr. James Galas**
 - Suggested Post-Covid-19 Gradual Return-to-Play Progression. Joint publication between Children's Hospital of Michigan and the University of Michigan addressing return to play guidelines from a cardiac point of view for young people with COVID. This was addressed to primary care providers in the referral base of the two Children's Hospitals.
 - **Mentored Quality Improvement project:** Rachel Taylor MD
Improving the accuracy of BSA in reporting echocardiographic measurements in Kawasaki Disease

- *Congenital Heart Disease for the Primary Care Practitioner – Part 1*. Children’s Hospital of Michigan Saturday **CME Lecture Series** in Pediatric Medicine. Children’s Hospital of Michigan Detroit, Michigan. February 15, 2020
- **Dr. David Lawrence**
 - Recurrence in Pediatric Lone Atrial Fibrillation is More Likely to Occur in Those with a 1st Degree Family Member. Heart Rhythm 2020. San Diego, CA May, 2020
- **Dr. Robert Ross**
 - Organized and directed heart care missions to the Dominican Republic, sponsored by Children’s Lifeline International and Health Care Dominicana, 1-2 times a year from 2003 - 2020.

Critical Care Medicine

- **Dr. Jamie Bell**
 - Interim Pediatric Critical Care Fellowship Program Director August 2020-October 2020
Pediatric Critical Care Fellowship Associate Program Director November 2020 - present
- **Dr. Amarilis Martin**
 - McGowan R, Daoud R, Ahsan B, Hines P, Martin A. Devastating lung injury with distinct histopathology secondary to e-cigarette use. American Academy of Pediatrics National Conference and Exhibition. October 2020; Virtual.
 - Daydov D, Martin A, Bauerfeld C. Detrimental effects of internet-promoted “healthy” homemade formula in two infants. American Academy of Pediatrics National Conference and Exhibition. October 2020; Virtual.
- **Dr. Andrew Prout**
 - Resident education coordinator, Division of Pediatric Critical Care
Central-Line Associated Bloodstream Infection committee member, Children’s Hospital of Michigan
- **Dr. Katherine Cashen**
 - Cashen K. Guest Speaker. “COVID-19 and Multisystem Inflammatory Syndrome in Children (MIS-C)” Pediatric Cardiac Intensive Care Society Podcast. Aired: July 30, 2020.
<https://podcasts.apple.com/us/podcast/episode-25-covid-19-multisystem-inflammatory-syndrome/id1253068670>
- **Dr. Mina Hafzalah**
CHM/CMU:
 - ACTION network. Member and Site Principal Investigator for ACTION.

Emergency Medicine

- **Dr. Curt Stankovic**
 - *Invited to be primary author, Hebert K, Stankovic C. Pulmonary Contusion. In: Fleisher & Ludwig’s 5-minute Pediatric Emergency Medicine Consult. Lippincott Williams & Wilkins. 2nd Edition. 2020

- *Invited to be primary author, Ravichandran Y, Stankovic C. Myocardial Contusion. In: Fleisher & Ludwig's 5-minute Pediatric Emergency Medicine Consult. Lippincott Williams & Wilkins. 2nd Edition. 2020
- *Invited to be primary author, Ravichandran Y, Stankovic C. Cyclic Vomiting. In: Fleisher & Ludwig's 5-minute Pediatric Emergency Medicine Consult. Lippincott Williams & Wilkins. 2nd Edition. 2020
- *Invited to be primary author, Kwong R, Stankovic C. Head Injury. In: Fleisher & Ludwig's 5-minute Pediatric Emergency Medicine Consult. Lippincott Williams & Wilkins. 2nd Edition. 2020
- *Invited to be primary author, Cohen A, Stankovic C. Barotrauma. In: Fleisher & Ludwig's 5-minute Pediatric Emergency Medicine Consult. Lippincott Williams & Wilkins. 2nd Edition. 2020
- *Invited to be primary author, Yurkovich C, Stankovic C. Facial Trauma. In: Fleisher & Ludwig's 5-minute Pediatric Emergency Medicine Consult. Lippincott Williams & Wilkins. 2nd Edition. 2020
- **Dr. Ronald Ruffing**
 - Regional Virtual Tabletop Disaster Exercise. Avoiding "the Darkest Winter in Modern History" Actions to Consider Now? Eastern Great Lakes Pediatric Consortium for Disaster Response. USDHHS Assistant Secretary for Preparedness and Response (ASPR). Sept 10 2010.
- **Dr. Jason King**
 - Carolina Vega, MD, Rasha Kazi, MD Jason King, MD, and Shazia Maqbool, MD. Severe Anaemia and Altered Mental Status in the Young Paediatric Patient. Journal of Paediatrics and Child Health. Accepted 12-28-2020
- **Dr. Rajan Arora**
 - Executive Committee, Michigan Emergency Department Improvement Collaborative (MEDIC)
- **Dr. Sharad Sarnaik**
 - Invited review of submitted publication to Pediatric Hematology/Oncology January 2021
 - Submitted grant as a site PI to the NHLBI with Dr. Russell Ware on use of hydroxyurea in Hemoglobin SC disease

Endocrinology

- **Dr. Rajeev Thirunagari**
 - Continuation of the established 4th Annual Diabetes school nurse education program- virtual meeting on August 26th 2020.
- **Dr. Amita Adhikari**
 - Oct 2020: "The tall and short of it: Growth Evaluation in Children" Lecture to community Pediatricians during Annual Clinic days

Gastroenterology

- **Dr. Mohammad El-Baba**
 - Reviewer for "Pediatrics"
 - Reviewer for "Pediatrics in Review"
 - Reviewer for "Journal of Pediatric Gastroenterology & Nutrition"
- **Dr. Kristen Cares**
 - **Grand Rounds**, Hurley Hospital, Flint MI. "*The Significance of Gluten: Celiac Disease and Beyond*". September 2020.
 - Presented "How to be a Warrior" at the annual IBD Update hosted by Crohn's and Colitis Foundation. October 2020.
