

CURRICULUM VITA

Date of Preparation: 07/01/2021

Signature

Namir Al-Ansari, M.D.
Assistant Professor (Clinician Educator)

Office Address: Michigan Children's Hospital
Gastroenterology
3901 Beaubien
Detroit, MI 48201

Office Telephone: (313) 745 5585
Office Fax Number: (313) 745 5155
E-mail Address: nalansari@dmc.org

EDUCATION

MRCP(UK)
Royal College of Physicians
London
United Kingdom

Diploma in Child Health
Royal College of Physicians
London
United Kingdom

Baccalaureate: M.B.Ch.B.
College of Medicine, University of Baghdad
Baghdad
Iraq

DATES

November 1994

November 1988

June 1977

POSTGRADUATE TRAINING

Post Doctoral Research Fellow (Pediatric GI, Liver diseases and Nutrition)
Mount Sinai Medical Center, New York.
House Staff in Pediatrics
Mount Sinai Program at Elmhurst Hospital, New York.

Jul 2001- Jun 2003

Fellow in Pediatric Gastroenterology, Liver diseases and Nutrition
Mount Sinai Medical Center, New York.

Nov 1998 – Jun 2001

Specialist Registrar in Pediatrics
Bristol Royal Hospital for Sick Children and Southmead Hospital, Bristol, UK.

Feb 1996 – Jun 1998

Registrar in Pediatrics
Derriford Hospital, Plymouth, UK.

Apr 1994 – Feb 1996

Volunteer Experience:

- IFMSA (September 2006 - June 2009)
- Volunteer Pediatric doctor in Jordan Hospital activities at rural areas.

Licensure:

- Pennsylvania
- Texas

Professional Development:

- ATS 2019 Pediatric Resident Boot Camp, Dallas, Texas
- Elective, Pulmonology Department at CHOP, Philadelphia, February 2018
- Elective, Allergy Department at SCHC, Philadelphia, November 2017
- Elective, Pulmonology Department at SCHC, Philadelphia, September 2017
- Observership, Gastroenterology Department at UTHealth/ Houston, Texas, December 2013
- Mechanical Ventilation in Pediatrics certificate
Middle East Critical Care Assembly, 2012

Abstracts:

- Improving Vitamin D screening in the outpatient setting at Einstein Pediatric Ambulatory and Adolescent Center, retrospective review. 2016
- Outcomes of controlled hypothermia versus combined controlled hypothermia with extracorporeal membrane oxygenation in neonates: A tertiary center's experience. 2019
- A single center case series of outcomes of extracorporeal membrane oxygenation (ECMO) and controlled hypothermia (CH) in neonates with hypoxic ischemic encephalopathy (HIE) and persistent pulmonary hypertension of the newborn (PPHN). 2019
- Clinical presentation, management and short-term outcomes in adolescents hospitalized with electronic cigarette, or vaping, product-use associated lung injury (EVALI). 2020

Aug 2000

HONORS/AWARDS

Young Investigator Travel Award.

The World Congress of Pediatric Gastroenterology, Hepatology and Nutrition in Boston.

02/01/2012

This award recognizes research excellence and achievement.

Fellowship of The American Gastroenterological Association (AGA)

This award is granted to members with recognized achievements in the field of gastroenterology.

**SERVICE
Institutional**

Scholarship Oversight Committee

Start July 2013

I am a member of this committee. Regular meetings are held for reviewing and evaluation of each fellow's clinical training and research activities. Fellows are provided with mentoring and advice to improve their progress.

Clinical Competence Committee

Start January 2013

I am a member of this committee. The committee has regular meetings to determine milestone progression level of each fellow in our program and make evaluation decisions regarding their performance and abilities.

**Affiliate Medical Organization
Children's Hospital of Michigan**

Infection Control Committee

Start December 2018

I am a member of this committee and represent the GI division. Functions of this committee include supervision of standards of professional care in regards to infection, implementation of infection control policies, surveillance of hospital infections, and surveillance of staff health.

Ambulatory Excellence Committee

Start August 2015

I am a member of this committee and represent the GI division. This committee discuss clinical service and patient's care including clinic schedules, appointments for new and follow-up patients, triage of patients, clinic time allocations, investigations ..etc. The committee discuss solutions to any existing problem and plans to ensure outstanding patient care and patient satisfaction.

Diet Therapy Committee

Start May 2006

I am a member of this committee and represent the GI division. This committee discuss issues related to patient nutrition including different dietary formulas and other dietary therapies for both inpatient and outpatient services.

TEACHING

Medical students

Sep 2003- Present

Supervision and teaching of medical students during GI clinics.
Case discussion and clinical bedside teaching with medical students during GI inpatient rounds.
Participation in different CME activities in the GI division such as didactic lectures, journal clubs, case discussions, radiology meetings and pathology meetings.

Residents

Sep 2003- Present

Supervision and teaching of residents during GI clinics.
Case discussion and clinical bedside teaching with residents during GI inpatient rounds.
Board review for residents.
Participation in different CME activities in the GI division such as didactic lectures, journal clubs, case discussions, radiology meetings and pathology meetings.

Fellows

Sep 2003- Present

Supervision and teaching of fellows throughout their pediatric gastroenterology fellowship program.
Supervision and teaching of fellows during GI clinics.
Case discussion and clinical bedside teaching with fellows during GI inpatient rounds.
Training fellows on different GI procedures.
Board review for fellows.
Participation in different CME activities in the GI division such as didactic lectures, journal clubs, case discussions, radiology meetings and pathology meetings.
Involved with fellows research projects and case reports.

Lectures in gastroenterology topics to other divisions.

Sep 2003- Present

Mentorship

Amie Hinshaw (Fellow)

Jul 2018 – Present

Mentoring in clinical training, training on different GI procedures and research work.

Orlando Cortes (Fellow)

Jul 2016 – Present

Mentoring in clinical training and training on different GI procedures.

Jennifer Mitsuya (Fellow)

Jul 2015 – Jun 2018

Mentoring in clinical training and training on different GI procedures.

Dhiren Patel (Fellow) <i>Mentoring in clinical training, training on different GI procedures, research work and case report.</i> <i>Published a research (Clostridium difficile Infection in Pediatric Inflammatory Bowel Disease Patients in the Era of Molecular Diagnostics and Advanced Therapeutics). My role in the research involved patient recruitment, analysis of results and preparing the manuscript.</i> <i>Published two case reports (Gastro-oesophageal reflux associated with duodenum inversum: two case reports and a review of the literature) and (An Unusual Intrathoracic Mass in a Patient With Developmental Delay). My role in the case reports was description of cases, literature search and preparing the manuscript.</i>	Jul 2013 – Jun 2016
Kristen Cares (Fellow) <i>Mentoring in clinical training, training on different GI procedures and research work.</i> <i>Published a research (Risk of small intestinal bacterial overgrowth with chronic use of proton pump inhibitors in children). My role in the research involved patient recruitment, analysis of results and preparing the manuscript.</i>	Jul 2012 – Aug 2015
Hazim Zaghloul (Fellow) <i>Mentoring in clinical training, training on different GI procedures and case report. Published a case report (Esophageal Foreign Body: Another Cause of Stridor in Infants). My role in the case report was description of case, literature search and preparing the manuscript.</i>	Jul 2010 – Jun 2013
Maridine Co (Fellow) <i>Mentoring in clinical training and training on different GI procedures.</i>	Jul 2010 – Jun 2013
Aakash Goyal (Fellow) <i>Mentoring in clinical training, training on different GI procedures and research work. Published a research (Acute Pancreatitis in Children with Inflammatory Bowel Disease: Idiopathic or Medication-Induced?). My role in the research involved patient recruitment, analysis of results and preparing the manuscript.</i>	Jul 2007 – Jun 2010
Ruby Mehta (Fellow) <i>Mentoring in clinical training, training on different GI procedures and writing letter to author. The letter to author was (How Long Does It Take for a Trichobezoar to Form?). My role was literature search and preparing the manuscript.</i>	Jul 2007 – Jun 2010

How Long Does It Take for a Trichobezoar to Form?
South Med J. 2010 Aug;103(8):847-8. doi: 10.1097/SMJ.0b013e3181e6351d.
No abstract available.
PMID: 20622721.
Impact factor: 0.924
Cited by: 2
My role involved case description, literature research and preparing the manuscript.

Published Abstracts

13. Goyal A, Madani S, Al-Ansari N, Macha S, El-Baba M.
Acute Pancreatitis in Children with Inflammatory Bowel Disease: Idiopathic or Medication-Induced?
Gastroenterology, 2009; 136(5)(Suppl 1):A 676.
Impact factor: 20.877
My role involved patient recruitment, data analysis and literature research.

PRESENTATIONS

Invited/presentations at international meeting

**Analysis of the Effect of Intestinal Resection on Rat Ileal Bile Acid
Transporter Expression and on Bile Acid and Cholesterol Homeostasis.**

This study was presented in the World Congress of Pediatric Gastroenterology, Hepatology and Nutrition (August 2000) in Boston.

Invited/presentations at national meetings

**1. Clinical Value of Finding Bile in the Stomach During Upper Endoscopy in
Pediatric Patients.**

Zaghloul H, Madani S, Al-Ansari N, Macha S, Zoubi N, El-Baba M.

Presented at Digestive Disease Week, held at the Orange County Convention Center in Orlando, Florida, May 18 - May 21, 2013.

**2. Acute Pancreatitis in Children with Inflammatory Bowel Disease: Idiopathic
or Medication-Induced?**

Goyal A, Madani S, Al-Ansari N, Macha S, El-Baba M.

Presented at the Digestive Disease Week Meeting, Chicago, May 30 – June 4, 2009.

**3. Severity and treatment responsiveness of Pediatric Crohn's Disease with
respect to gender.**

Kunde S, Al-Ansari N, El-Baba M, Macha S, Madani S.

Poster presentation at the World Congress of Pediatric Gastroenterology, Hepatology and Nutrition Meeting, July 2008, Peru, South America.

Invited/ presentations at regional meeting

Study of Childhood Accidents.

This study was presented in regional meeting of community Pediatricians in London, United Kingdom, November 1993.
